*For 25 years, the University of Montana DeWit RiteCare Speech, Language, and Hearing Clinic has provided quality speech, language and literacy, cognition, swallowing, and hearing services to people across the lifespan regardless of financial, geographic or physical barriers and they have prepared future speech-language pathologists with practical experience through exceptional hands-on training and supervision. The Western Montana Scottish Rite Foundation is partnered with the Ockler Family and King Ranch Golf Course to raise money for this worthy cause. Come play some golf, have a blast and support this amazing clinic.*
